

NOW LIVE

Filament.

Recruitment, *in full view.*

VoltForce's proprietary recruitment platform. A live, end-to-end view of your senior search, from day one. Built for climatech, advanced materials, and Industry 4.0.

PILLAR 01 · TRANSPARENCY

The pipeline, *as it forms.*

Every candidate, every stage, every note on your search, visible the moment it happens.

PILLAR 02 · DATA OWNERSHIP

Your search *stays your search.*

Self-hosted on infrastructure VoltForce owns and operates end-to-end. Not shared, scraped, or recycled.

PILLAR 03 · OWNED + OPERATED

More than *software.*

AI-tuned matching, a skill taxonomy for technical talent flow, and a portal that sharpens every search.

Reach out to learn how Filament can
elevate the way your next *senior search runs.*
